PHOTOGRAPHY DIRECTION

Show the real story.

Natural, warm and intentional imagery that brings together people, food, science and everyday life — with authenticity at the centre.

WHAT TO USE

PEOPLE

Natural, relaxed and authentic moments. Real expressions, real environments.

FOOD

Wholesome, natural and unprocessed food, styled simply and beautifully.

SCIENCE

Subtle, thoughtful visuals that simplify the complex. Clean and minimal.

EVERYDAY LIFE

Calming, relatable settings that feel real and lived-in.

WHAT NOT TO USE

OVERLY POSED

- ✕ Studio-looking portraits
- ✕ Overly polished or artificial
- ✕ Forced smiles

UNHEALTHY OR GENERIC

- ✕ Processed or indulgent foods
- ✕ Overly styled or dramatic lighting
- ✕ Stock food images

CLINICAL OR COLD

- ✕ Overly technical or complex visuals
- ✕ Harsh, blue lighting
- ✕ Images that feel intimidating

DISTRACTED SETTINGS

- ✕ Busy or cluttered backgrounds
- ✕ Irrelevant objects
- ✕ Stock-looking lifestyle imagery

Real life looks different. And that's the point.
